Friends:

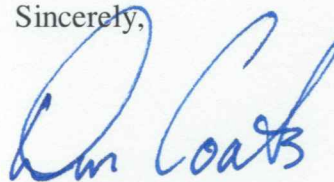

Thank you for attending the tenth annual Honor our Vets Boat Parade in Monticello. It is an honor for me to welcome Hoosiers of all ages to this event honoring those who are serving and have served our nation in uniform.

Today, we specifically recognize those who served in the Korean War. On behalf of all Hoosiers, thank you for your sacrifice to ensure our continued liberty and security here at home.

Our country owes a debt of gratitude to those who choose to answer the call to duty and to protect our interests and to defend our freedoms without a requirement to do so. I thank our troops for their service and ask that Americans continue to remember all active service members and their families today as we celebrate the birth of our great nation.

I appreciate the opportunity to recognize these heroes who have dutifully served our country. May God continue to watch over all of our service members and may He continue to bless the United States of America.

Sincerely,

Dan Coats
U.S. Senator
